

Abigail Sammon enrolled at Saint Augustine Academy as an elementary school student in 1940 and graduated from the Academy's high school in 1953. The years she spent at Saint Augustine inspired in her a life-long commitment to Catholic education. Abigail and her husband, Marty, raised 10 children, all of whom were educated in Catholic Schools throughout Cleveland.

The Abigail Sammon Guardian Angel Fund has been created in Abigail's memory to honor that commitment. This Fund will help ensure that a Catholic education is accessible to current and future Lakewood Catholic Academy families.
