<p style="text-align: center;">Religion</p>	<p>1. Watch Video of Religion Lesson 2. Create an acrostic poem using the word "HAPPINESS"</p>	<p>St. Gianna believed that family was the most important part of her life.</p> <p>Ask an adult in your family about your family history. For an additional fun activity, try to create a family tree.</p>	<p>St. Gianna prayed to her Mother Mary on a daily basis. Today find some time to be quiet and pray a decade of the Rosary for anyone who needs a prayer today.</p>	<p>St. Gianna sacrificed her own life for one of her children. Today, think about the sacrifices your parents/guardians make for you daily. Create a thank letter or card for them. Give them a hug for all they do for you!</p>	<p>Reflect on this quote: "The secret to happiness is to live moment by moment and to thank God for all that he, in his goodness, sends to us day after day."</p> <p>Using this quote as inspiration, create a piece of art. You may use whatever art materials you have. When you are finished, take a picture of your reflection and send it to us!</p>
