

# WEEK #4: MAKING A DIFFERENCE

A CROSS CURRICULAR UNIT IN SCIENCE, COMMUNICATIONS & THEOLOGY

## THIS WEEK'S WORK FOR 7TH GRADE STUDENTS

Students are to complete required work in science. In addition, students are to **select one of two hero project options** (click the links below for more info). Hero unit work is to be completed in addition to math, language arts and theology assignments found on the Google Classroom.

HERO WEEK #4: JANE GOODALL & STEVE IRWIN ALL WORK TO BE COMPLETED BY 5:00PM ON SATURDAY, MAY 16TH	
<b>Required Work #1</b>	Students are to <a href="#">view a BrainPop video on the greenhouse effect</a> , then <a href="#">complete an IXL activity</a> . When logging into BrainPop, students should click "G Suite for Education." Students should master the IXL science skill, or work for at least 30 minutes.
<b>Required Work #2</b>	Students are to <a href="#">complete an activity in which they manipulate an ecosystem and report on the impact of the changes made</a> . <a href="#">Click here for a brief video on completing this activity</a> .
<b>Project Option #1</b>	Students are to <a href="#">build a zoo that focuses on endangered species</a>
<b>Project Option #2</b>	Students are to <a href="#">organize a promotional event to support a program focusing on conservation</a>
<b>Required Work #3</b>	After attending both Zoom sessions, students are to complete <a href="#">Review questions about Jane Goodall</a> <a href="#">Review questions about Steve Irwin</a>
