Study: All About You	 What I Like About Me Make a list of all of the things that you like about yourself. What are you good at? What are some things you like about yourself? What do you like to do? Share your list with family and friends. 	 Show and Tell Think of 3 or 4 of your favorite things. Put them in a pile. Find family members and friends and tell them why you like them and why they are important to you. 	 Self Portrait Draw a picture of yourself to hang up somewhere in your house or give to a special person. Remember to include details: eyes, ears, nose, smile, hair, clothes, arms, legs, hands and feet. Don't forget to create a background. Maybe you are playing outside on a sunny day. If so, draw the sun, grass, and other things you see. Get creative and draw yourself wearing your favorite outfit! 	 All About Me Complete the All About Me Poster. You can use words or pictures to fill it in! Make it colorful and display it! Spell your name out using magnetic letters on the refrigerator. 	Celebrate You Listen to this song and learn the words. Sing it for family and friends and then have a dance party!
