

Theology Instructions for the Week of May 25

PREPARE YOUR COMMUNITY PROJECT FOR FINAL PRESENTATION

Dear Class of 2020,

Congratulations to all of you on your good work. I am proud of the projects many of you have executed and the ways in which you were able to make the most of our current circumstances. Let's kick it in! Please ensure that your websites are well organized and that all information is written in complete sentences with excellent punctuation and grammar.

The LCA Community will be invited to view your projects on Wednesday, May 27, and some projects will be shared with The International Baccalaureate Organization to be viewed by a much wider audience. Congratulations to you all, and please read below for further instructions from Mrs. Arrighi.

Sincerely,

Mrs. McGuire

Community Project

Complete the display of your Community Project on your website. All instructions are still available in the "CP Landing Page" posting in the Google Classroom. Please use these resources along with peer review and communication with your advisor in order to ready your display for viewing. **Your website needs to be complete by 8 am on Wednesday May, 27.** Take care to publish one last time to ensure that all recent work will be shown on your page. Later that day your parents, the LCA faculty, and outside Community leaders will be invited to view the pages. Contact Mrs. Arrighi or Mrs. Crabb with any questions.
