Counting and Number Patterns	A.18	Hundred Chart
Counting and Number Patterns	A.21	Even and Odd Numbers on the Number Line
Addition	D.9	Addition Facts Sums up to 20
Mixed Operations	J.3	Fact Families
Place Value	M.4	Convert between tens and ones-multiples of 10
Money	Q.2	Names and values of all coins
Money	Q.3	Count pennies, nickels and dimes

To be completed at the Grade 1 Level no later than July 31:

Heading	Skill	Description of Skill
Addition	D.22	Add a one-digit number to a two-digit number-with regrouping
Subtraction	H.13	Subtraction Word Problems numbers up to 20
Mixed Operations	J.9	Add and Subtract tens
Comparing	K.6	Comparison Word Problems
Money	Q.4	Count pennies, nickels, dimes, and quarters
Money	Q.5	Equivalent groups of coins
Time	U.8	Time and Clocks Word Problems
Fractions	X.2	Equal Parts, halves, thirds, fourths

*Please Note: Occasionally IXL adds skills over the summer, which affects the skill numbers. When in doubt, follow the description of the skill, rather than the skill number.

SUMMER READING ASSIGNMENT

Students should read two fiction books of their choice at their guided reading level. Students should choose a project from our summer reading menu, found here, for one of the books that was read over the summer.

SUMMER MATH AND READING ASSIGNMENTS

The following is an overview of your child's required math and reading assignments for the summer months. Please see the assignment sheets for each grade level, posted on our website, for a more detailed summary of summer assignments

SUMMER IXL MATH ASSIGNMENTS

Every child who is entering grades 2 – 8 will be expected to complete a series of IXL math exercises. Please note that, unless otherwise indicated, the exercises are to be completed at the grade level your child is now finishing. Students should work until they have received a Smart Score of 80. As you will notice, some of the skills must be completed by June 30 and the remaining skills by July 31. Your child's current math teacher will be monitoring this site during the summer; however, it is your child's responsibility to complete the assignments. Successful completion of these exercises in grades 5-8 will be counted as a first quarter grade. Progress will be monitored and noted for students in grades 2-4.

SUMMER READING ASSIGNMENTS

Every child entering grades 1 – 8 is expected to complete a summer reading assignment. Upon completion of each book, students in grades 2 – 5 are asked to complete an activity from the Summer Reading menu, found on our website, for one of the books. Students in grades 6-8 are to read a fiction book of their choice and complete the book report form, found on our website. They are also required to read an assigned book, which will be covered in class at the beginning of the year. These completed forms **must be submitted by Friday, September 10th**. Please note that separate requirements for students entering grade 1 are found on their assignment sheet.

We are confident that the summer math and reading assignments will help our students to keep their skills fresh, while also allowing for plenty of time to relax and refresh.

We wish you and your family a wonderful summer!

Brenna Warrell
Principal
