

## SUMMER ASSIGNMENTS FOR STUDENTS ENTERING GRADE 4

### SUMMER READING ASSIGNMENT

Students should read two fiction books of their choice at their guided reading level. Students should choose a project from our summer reading menu, found below, for just one of the books that was read over the summer.

<p><b>Write a letter</b> to your teacher and tell him/her about the novel you read! Make sure you tell him/her the main characters, problem, solution, and if you enjoyed the book!</p>	<p>Complete LCA's <b>fiction book report</b>, found below, by answering questions about what you read</p>	<p><b>Create a poster</b> depicting your book. Make sure to include information about the main characters, setting, and plot.</p>
<p><b>Create a <a href="#">word cloud</a></b> online. Type in words that help describe the following:</p> <ol style="list-style-type: none"> <li>1. title and author</li> <li>2. Setting</li> <li>3. Problem</li> <li>4. Solution</li> <li>5. Characters</li> </ol> <p>(10 words in each category)</p>	<p>Choose 2 characters from the novel you read and create a <b>CHARACTER TRADING CARD</b> for each one. Include character traits, what the character's role was in the story, why you chose the character, and whether would you be friends with this character. Explain why you would or would not be friends.</p>	<p><b>Create a new book jacket</b> for your book. On the front, draw an illustration that represents the story. Make sure to include the title, author, and illustrator. On the back, write a summary of the book in your own words. You may include your own reviews!</p>
<p>Write a <b>book review</b> from the point of view of a character in the book.</p>	<p>Create a <b>comic</b> that summarizes the story you read. Be sure to include the main characters, setting, and plot.</p>	<p><b>Design 3 post cards</b> that represent your book. On the front, include an illustration. On the back, write a brief summary of how the illustration represents the book you read.</p>

## RECOMMENDED SUMMER IXL MATH ASSIGNMENTS

We highly recommend students complete summer IXL assignments. While these assignments are not mandatory, completing them will help prevent learning loss and promote confidence as students prepare for their next grade level. Teachers have put together recommended IXL skills for students to work on if they would like. Unless otherwise indicated, the exercises should be completed at the grade level your child is now finishing. Please note that IXL occasionally adds skills over the summer, which affects the skill numbers. If skill numbers do not match what we have, follow the description of the skill, rather than the skill number. Additionally, any skills related to the ones listed will provide good practice.

If students would like to work on math skills over the summer, the following skills are suggestions:

	Skill	Description of Skill
1	Q1	Multiplication facts to 12
2	Q2	Multiplication facts up to 12: true or false?
3	Q3	Multiplication facts up to 12: find the missing factor
4	Q4	Multiplication facts up to 12: select the missing factors
5	Q5	Multiplication sentences up to 12: true or false?
6	X1	Division facts up to 12
7	X2	Division facts up to 12: true or false?
8	X3	Division facts up to 12: find the missing number
9	X4	Division facts up to 12: select the missing numbers
10	X5:	Division sentences up to 12: true or false?
